PROJECT NEWSLETTER

June 2024

PROJECT OUTPUTS

We organized an online meeting with the Climate Change Adaptation and Local Policies Department of the Ministry of Environment, Urbanization and Climate Change regarding the development of e-NASAP on 12 June 2024. We reviewed the requirements for finalising the monitoring and evaluation system of E-NASAP in line with the feedback from the Climate Change Directorate.

Faaliyet 3.2.3 altında planlanan sektörel farkındalık eğitimlerinde kullanılacak eğitim modüllerinin hazırlıklarına başladık. We started the preparations of the training modules to be used in the sectoral awareness-raising training planned under Activity 3.2.3.

GRANT PROGRAMME

We organized a meeting with the project stakeholders regarding performance indicators on 7 June 2024. We presented the indicators of the grant projects prepared by the grant experts to the Directorate of Climate Change and the General Directorate of EU and Foreign Relations.
